KIDS SAY: READ IT, SEE IT, LIVE IT, TELL IT

"This week is Live It Week. This week we focus on how what Jesus said changes how we live. We're going to break up into small groups and you are going to talk to each other. I will give you examples of how to live out Jesus' truth by loving others. We will talk about 5 areas of your life: School, Online, with Friends, at home with your Family and what we are calling Field. Field is a place where you use your talents. Your field could be a band, a sports team, at dance or a club you are a part of. Now is the time for you to speak and share with each other. Our mark for this month is Servanthood. So we will talk in our groups about how to be humble in all the areas of our lives."

### TELL STUDENTS ABOUT "MARKS"

"Every month we are going to talk about a mark. We have a mark that goes with the Jesus said verse."

YOU SAY: Say Mark

KIDS SAY: Mark

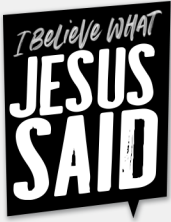

"What Jesus said challenges us to think differently. If you hold and value what Jesus says it will change you. It changes how we think, what we do and how we see things. It also changes how people see us. Think of it like a tattoo. It's on us. It's permanent and visible to others. How awesome is that? If we value what Jesus said and let it change us, we become like Jesus! And, when others see that change in us they see Jesus on us. It all comes from Jesus teaching us. It comes from Jesus."

YOU SAY: It comes from Jesus

KIDS SAY: It comes from Jesus

### THIS MONTH'S MARK

"Jesus told His disciples if they wanted to be great they must become like servants. He was teaching them to humble themselves. Do you know what it means to be humble? It means to treat others greater than yourself. Does being humble make us weak or worthless? It didn't to Jesus. Jesus was the King of the whole world, but He chose to make Himself a servant for us. He loved us and treated us better than we deserve. Jesus is just asking us to be servants like Him!"

## GIVE STUDENTS THE RIGHT EXAMPLES OF HOW TO LIVE OUT TRUTH IN THE 5 AREAS OF THEIR LIVES

### SCHOOL EXAMPLE

"It seems like everyone wants to be popular at school. We want people to like us. Sometimes we do silly or unwise things because it may make us seem cooler than we feel inside. But wouldn't you actually be more liked by people if you treated everyone with kindness? Maybe that's the way it should be."

### ONLINE EXAMPLE

"The online world is all about getting likes! But how much is an online like really worth to us? Would you rather have 1,000 likes online or 5 people who want to hang out with you?"

### FRIENDS EXAMPLE

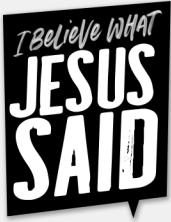

"Who is the most humble friend you have? What do they do and how do they treat you that would make you say they are humble?"

### FAMILY EXAMPLE

"Have you ever noticed sometimes it's easier to be helpful at a friend's house than at home? When it's time to clean up at my friend's house, I'm willing to help, but when I'm home I complain. Why do you think we do that?"

### FIELD EXAMPLE

"Sports always makes us want to be the best. But what does it really mean be the best. Who is really the best? The person who scores a lot of points or the teammate who makes all their teammates better? Which one is more likely to win?"
